Business Owners Safety Tips:

- Do not carry cash home.
- Minimize cash on hand at your store, post sign stating this.
- Multiple deposits throughout day light hours.
- Minimize knowledge of when these deposits are made, (Don't tell all you employees).
- Vary your routine.
- On your way home pull through different well lighted parking lots to see if being followed, call 911 if so. Do not go home, but go to a busy well lit area.
- Have an alarm control in your car so you can turn on exterior lights when arriving home, to not enter home if lights fail to go on, call 911 have officer meet with you.
- Notice suspicious person and cars.
- Have a reputable company install an alarm on your home.
